REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose, either singly or in combination, an optical instrument employing a wavefront sensor capable of coarse and fine phase measurement capabilities during first and second modes of operation respectively wherein, during the first mode of operation, the measured phase distortion is relatively large, and provides a coarse measure of phase distortion measurement without ambiguity; and wherein, during the second mode of operation, the measured phase distortion is relatively small, and provides a finer measure of phase distortion measurement without ambiguity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephone B. Allen whose telephone number is 571-272-2434. The examiner can normally be reached on M-F 08:30-5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave Porta can be reached on 571-272-2444. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
